

## **JOB DESCRIPTION: VOLUNTEER NURSE TEAM MEMBER**

**Why is This Job Important?** Volunteer nurses can help with medical tasks other volunteers are not able to perform, such as STI testing, ordering lab tests, etc. RN's can also step in during occasional gaps in nurses' schedules for vacations and/or leave of absence.

**Time Commitment:** Dependent upon needs and is flexible to RN's working schedules

**Report To:** Staff Nurse, Clinic Manager

### **Roles:**

- Performs pregnancy tests and other medical services as needed
- Orders lab tests (hCG, etc)
- Follows up with clients as needed for specific medical issues
- Works with (or as) client advocate to assure clients are receiving the best medical, nursing and psychosocial care possible
- Documentation of visit in Athena
- Must have up-to-date nursing license on file at Eden Clinic

### **Volunteer Nurse Team Goal:**

- To serve God by serving abortion minded clients with love, compassion and accurate information.
- To utilize nursing skills to help clients make a well-informed, educated decision.

### **Applicant should:**

- Demonstrate a personal relationship with Jesus Christ as Savior and Lord
- Exhibit strong commitment and dedication to the pro-life position
- Agree with and be willing to uphold the Statement of Principle, State of Faith and policies of the clinic
- Be able to respect and keep client information confidential
- Exhibit a sincere desire to reach out with the love of Jesus to people in distress
- Be familiar with scripture pertaining to the sanctity of human life, forgiveness and salvation
- Complete the volunteer training programs and attend volunteer in-service

Please remember when you are scheduled to volunteer we depend on you being here and schedule our patient load accordingly. So please, let us know in advance if you cannot fulfill your time slot.
