

## A Layette to Celebrate

The clients who participate in the Pregnancy Wellness Program at The Eden Clinic will receive a clothes basket FULL of the items listed below for either a boy or girl. We call it a “layette” or “starter kit”.

We receive these items from Women’s Ministries, Sunday School Classes and Churches who hold *Baby Showers, Diaper Drives* and/or take a period of time (a few weeks or month) collecting the following items. We take great joy in telling our young new moms that these items were provided by people in the community who *really do care* about them.

The following list is items included in each layette. *Please do not include used clothes or any sizes larger than 12 months*

Baby Bibs

Baby Bottles (small or large)
